

Become our Partner

WHY become our partner at the DATA LOVER SUMMIT?

Webtrekk partners play an important role in igniting discovery, creating new partnerships and contributing to the analytics community.

The DATA LOVER SUMMIT is an event that connects digital thought leaders with experts and product leaders. Our previous Webtrekk Summit had 350 attendees, 15 keynotes and 3 workshops and was completely sold-out. Visitors were enthusiastic about the quality content that focused on actionable insights, which has been our signature over the years.

The goal of our new DATA LOVER SUMMIT is not only to give a detailed view into Webtrekk solutions and best-practices, but to also give cutting-edge information on the topics of Data-Driven Marketing and Marketing Efficiency, plus Data Collection, Analysis and Data Usage. We increased networking slots during the day and the party so there will be endless networking opportunities with more than 350 attendees and top-level speakers in one of the coolest event locations in Berlin.

WHO is your audience?

We are targeting C-Level and Marketing decision-makers as well as Digital Marketing Managers, Webtrekk clients and other interested parties such as: digital organizations; market players; and general Online Marketers.

Attendees come from a wide variety of industries and company sizes.

In order to create a vibrant event, we are privileged to be collaborating with esteemed partners from the digital marketing and analytics field.

WHEN and WHERE?

The DATA LOVER SUMMIT will take place 23-24 May 2019 at The BOLLE Festsäle, Berlin.

The Networking and Exhibition Area will be in the room directly next to the conference room. There is also a Lounge (called 'The Milchbar') available as a great space for one-on-one meetings.
